

COURSE CONTENT

Date	:	July 2011
Academic Year	:	2011/2012
Study Year (if applicable)	:	NIL
Course Code & Title	:	BG9107 Special Topics in Biomedical Engineering
Academic Unit	:	3 AU
Pre-requisite	:	NIL
Course Description	:	

BG9107 Special Topics in Biomedical Engineering

[Lectures: 39 hours; Tutorials: 0 hours; Pre-requisites: NIL Academic Unit: 3]

Learning Objective

To understand the up-to-date knowledge in biomedical engineering.

Content

Course covering special topics of current interest in the area of biomedical engineering.

Course Outline

S/N	Topic	Lecture Hours	Tutorial Hours
1	Special topics of current interest in the area of biomedical engineering	39	0

Learning Outcome

Up-to-date knowledge in biomedical engineering.

Student Assessment

Students will be assessed by:

- Final examination (70%)
- Continuous assessment (30%)
